"FOR 35 YEARS A STANDARD PIANO"

THE WING PIANO

You need this book IF YOU INTEND TO BUY A PIANO. A Book—not a catalogue—that gives you all the information possessed by experts. It makes the selection of a piano easy. If read carefully, it will make you a judge of tone, action, workmanship and finish; will tell you how to know good from bad. It describes the materials used; gives pictures of all the different parts, and tells how they should be made and put together. It is the only book of its kind ever published. It contains 116 large pages, and is named **"The Book of Complete Information about Pianos."** We send it free to any one wishing to buy a piano. Write for it.

Save from $100 to $200 We make the WING PIANO and sell it ourselves. It goes direct from our factory to your home. We do not employ any agents or salesmen. When you buy the WING PIANO you pay the actual cost of construction and our small wholesale profit. This profit is small because we sell thousands of pianos yearly.

A WING STYLE—45 OTHER STYLES TO SELECT FROM

SENT ON TRIAL

We Pay Freight. No Money in Advance.

We will send any WING PIANO on trial. We deliver free and do not ask for any advance payment or deposit. If the piano is not satisfactory *after twenty days' trial in your home, we take it back entirely at our expense.* You pay us nothing unless you keep the piano. There is absolutely no risk or expense to you.

Old instruments taken in exchange.

EASY MONTHLY PAYMENTS

INSTRUMENTAL ATTACHMENT

A special feature of the Wing Piano: it imitates perfectly the tones of the mandolin, guitar, harp, zither and banjo. Music written for these instruments, with and without piano accompaniment, can be played just as perfectly by a single player on the piano as though rendered by an entire orchestra. The original instrumental attachment has been patented by us, and it cannot be had in any other piano, although there are several imitations of it.

IN 35 YEARS 34,000 PIANOS

We refer to over 34,000 satisfied purchasers in every part of the United States. WING PIANOS are guaranteed for twelve years against any defect in tone, action, workmanship or material.

WING ORGANS are just as carefully made as Wing Pianos. They have a sweet, powerful, lasting tone, easy action, very handsome appearance, need no tuning. Wing Organs are sold direct from the factory, sent on trial; are sold on easy monthly payments. For catalogue and prices write to

WE HAVE NOW IN
PREPARATION OUR

STREET DIRECTORY
AND
BUYER'S GUIDE FOR 1904

The Street Directory is a most useful Book of Reference and a remarkably Reliable and Cheap Advertising Medium. The edition is co-operative copies, circulated by the advertisers. Each advertiser receives 100 copies for gratuitous circulation, besides one page advertisement in the entire edition of 15,000 books. The convenient size of the book, together with the great amount of useful information, makes it certain that the book is kept and used.

The **1904 Edition**, besides having the latest corrections, will also contain all the new names of Streets and Avenues adopted by the Board of Aldermen for the past year, making it very valuable and up to date.

It will pay you to have 100 or more copies.

STREET AND AVENUE DIRECTORY

. . . OF . . .

BROOKLYN.

COMPILED FROM THE OFFICIAL RECORDS.

GEORGE UPINGTON,

PUBLISHER,

317 WASHINGTON ST., BROOKLYN, N. Y.

Showing the commencement and termination of each Street, Avenue, Place, Land, etc., in the Borough, together with corner numbers of every intersecting Street or Avenue.

EXPLANATIONS.

If you desire to ascertain the location of any number—for instance, No. 250 Nevins street—you will observe that No. 240 Nevins is on the corner of Douglass, right side, and No. 256 Nevins is on the corner of Degraw; hence the desired location of No. 250 Nevins street is between Douglass and Degraw, on the right side.

Or, suppose you wish to take a car for the purpose of reaching as nearly as possible No. 559 Willoughby avenue. The street directory shows (see Willoughby avenue) that No. 511 Willoughby avenue is on the corner of Marcy avenue, and No. 581 is corner of Tompkins avenue, both on the left side, so that to reach No. 559 Willoughby avenue you will leave the car at either Tompkins avenue or Marcy avenue.

Even numbers will be found on the right side, odd numbers on the left.

A * placed in the right or left column denotes that the street or avenue does not extend to that side.

A—denotes that there is no number on the corner

* * * denote that cross streets have been omitted.
